PROFESSIONAL EXPERIENCE

Intern Web Developer

Evon Technologies Software Solutions (Pvt) Ltd | January 2024 - June 2024

- Developed and maintained 20+ responsive web pages using HTML5, CSS3, and JavaScript ES6
- Collaborated with a team of 5+ senior developers to debug, test, and enhance web applications
- Followed best practices for clean code and version control using Git, reducing code conflicts by 30%
- Gained real-world experience working in an agile development environment with bi-weekly sprints

KEY PROJECTS

VEGAZ Audio – Audio Equipment Rental Platform

Tech Stack: MongoDB, Express.js, React.js, Node.js (MERN Stack)

- Designed and developed a full-stack audio equipment rental platform serving 100+ potential users
- Implemented secure user authentication and role-based access control with Admin and User privileges
- Developed comprehensive booking and rental management features for 50+ audio equipment items

- Built an admin dashboard to efficiently manage users, equipment inventory, and order tracking
- Created 15+ RESTful APIs with Node.js and Express.js for efficient backend communication
- Designed a fully responsive user interface using React.js for seamless cross-device user experience

Real-Time Dispensary Management System (Final Year Project)

Tech Stack: Java, MySQL | September 2024 - December 2024

- Designed and developed a comprehensive system to manage end-to-end operations of a central dispensary
- Implemented inventory tracking for 500+ items, prescription management, and automated reporting features
- Reduced manual data entry time by 40% through automated prescription processing

Bimthanna Flora – Business Website

Tech Stack: HTML5, CSS3, JavaScript ES6, Figma

- Designed complete website UI/UX using Figma with a clean, modern layout improving user engagement
- Developed a responsive, template-based static website with 100% mobile compatibility
- Customized and enhanced the template to match brand identity and business requirements
- Implemented interactive frontend features ensuring cross-device compatibility across 5+ screen sizes

EDUCATION

Bachelor of Science in Management and Information Technology

South Eastern University of Sri Lanka | 2021 - 2025

CERTIFICATIONS & ADDITIONAL SKILLS

Certifications

- Front-End Web Development
- Python for Beginners
- UI/UX Design for Beginners
- English Language Proficiency
- Tamil Language Proficiency
- National Cadet Corps (NCC)

Soft Skills

- Team Collaboration
- Effective Communication
- Time Management
- Leadership
- Problem Solving
- Adaptability

LANGUAGES

English (Fluent) • Sinhala (Native)
